Key words: poets, poems, lyrical hero, poetik meaning, word of the spiritual.

Uzbek literature of the twentieth century, a major writer, science writer abdurauf fitrat a unique food and shoirdir. "Fitrat"- is the nickname of abdurauf, its meaning "congenital talent" mean. Abdurauf Fitrat are incomplete contrary to nickname him the extraordinary courage that is suitable jadid heritage great creative talent to come. Source in the creation of conventionally into three periods Fitratchinadi.

First period -1909-1916 of the year include, inspired from turkey without the impression jadid as enlightened creativity.

Second period- 1917-1923-the year covers, and works in this period was saturated with the idea of national independence Fitrat writes.

The year of creation is related to the third period, 1923-1937, sho'ro of the secret service is in constant control. Fitrat mainly for scientific-pedagogical work deals with.¹

Abdurauf Fitrat qalamiga related poems, basically, created in the second period. In particular, we who are going to do his analysis "the poet" also called poem 1920 - 24 year-was written in march. "The poet" was written in poems on the theme of free weight, is composed of 3 handle. Contents divided by 3 to handle the poet have formed the series. Creation lyrics hero himself, the language will make a story from it. Abdurauf Fitrat specific phrase with the way this poem by the idea of poetik knows. But this poem is dedicated by the way too distinct to be inspiredr. "People of grief" included in the package called "Poet" and the poems attached to Buzruk Fibroidsk Shighhhunt's dedicated to cho'lpon Abdulhamid dalolati on this poem is called. Like the great poet of the man bearing the word to their heart's too artistic, too, acquires the beauty of content.

Thisgflour sit and cry, you came,

A poet of the word "select" in your conversation,

It may be the word of your spirit tracks

I read your eyes, your beautiful. [2,9]

Hero lyrics yig'layapman why this what is the reason for his sadness? Of course , colonization, the black clouds that comes to people's head, economic dependence as well asocial, spiritual qashshoqlthe ik . These poetsto centuries pursued g'amga throws. In the second row, a word - that I hope. Lyrics reminded of the words of the poet-hero, and his reflection is in the eye of the poet see. The feelings will be manifested in the human heart should say that if I am the night. The word " ramzi mohiyatan by hope , hurriyat, the futureto be understood.

O'qiduqcha it stability

I invented for myself much hope.

- Desperate-live united kingdom, germany, netay may be. [2,9].

Indeed, the hope of living with the man of spiritual expects something from the future. Clear action are faced with a statement in the next verse. Just a lover of the poet had written a letter to him of his grief shed, the spirit wants to give him the assistance of pafos, in the end. Here ishq pointing to the divine order of the original are there. The next paragraph "how do you know?" deya and the poet's questioning begins with one word'reef. It ishqning most nozli, erka, capricious yog'du is called. Abdurauf fitrat creation only occurs in this rate in the literature. During the sthe traitorto nature, mysterious, profound meaning livinglik for open, authentic, finds the true meaning looking for, but that does not keep to himself the function of the poet means.

Summer flowers shed from yaprog'i

The word " the world surrounded us was conducted. [2,9].

In the summer their various plants show the beauty of sullagani in regard to the wealth dictionary of similar words, it should be the only poets creative summer flower surrounded himself with the same flower and leaves have thoughts that are delivered to the reader by the way deyapti. Lions abdurauf fitrat of these aspects of "rules in the literature" to be a poet mutual lion and tune: " a man's heart "how sezag'on" expert, so that while is a good poet".²

This lion 5 times in row 34, which consists of "the poet" and 5 times the word "I" of the word in the language you are going to the mutual series. In this sequence there are specific dynamics. From feeling a sense of great in the dynamics of this development is connected to small, steady mushohada is adjacent to the statement. Yog'du capricious, ishq garden, everything yo'qsul istiora badiiyotini poem is interesting. Diagnosis there are a few I have used art from the author. In this example, "jon ingrab standing", we have "stupid, broken, burning the nightingales" we can take a combination of. Caught look at it from this aspect, artistic sh'erahigh the oldest and largest, thoughtful content poetik imageof rin s is given.

It can be noted that conclude each poem is closely related with the personality of the poet, affiliated. The experiences of the soul spiritual and wound gives herself to completion of construction, as the poet's poem is in him. The issue of the poet , too much hard , the thief of his
