

" CULTURE AND ARTS IN NEW UZBEKISTAN" "REFORMS CONSIDERED"***Eshmuratov Ajiniyaz Allamuratovich****Berdak named after Karakalpakstan State University**Art history department intern teacher****Ismailova Jumagul Farhad kizi****Culture and art institutions organization to grow and management direction Stage 2 student*

Abstract : Culture of the nation past , present and from tomorrow speaker , him/her to the world introducing This is a tool . in the article Updating In Uzbekistan culture and art to the field being addressed attention , to the field circle done increasing and in the future done increase planned measures in particular word maintained .

Key words : New Uzbekistan , actions strategy , development strategy , culture , art , culture centers , theater , decision , project .

Each of the nation past , present and from the future speaker tool This is our culture . Our people its rich culture and art with today's on the day world in the community to oneself typical place occupying is coming . Especially this one five year inside attention owner many affairs done increased if we say exaggeration will not be . In particular , on February 7, 2017, the Honorable Our President by working "Movements " "strategy " for the country's prosperity to oneself typical program and action become service did and wide comprehensive work done in the increase important factor For example , one of the 4 priority areas of the strategy one " Social " the field development " in places wide comprehensive affairs done The population , especially the youth , busyness to provide , citizens social protection to do and health conservation , science, education , culture and sports industry improvement , road transport , engineering and communications and social infrastructure develop with related measures done increased .

Today intensity with developing in our time our state leader by previously pushed " New" The concept of "Uzbekistan " is also our people in the language to oneself typical in a way sounded and new worldview , step towards thinking to throw is encouraging . After all, our President As they say , " Today Uzbekistan yesterday Uzbekistan not today Our room is also from yesterday. people it's not ".

Highlight must be new Uzbekistan build to do is just wishful thinking , subjective event not , but fundamentally historical to the basics has was , in our country there is political-legal , socio-economic , spiritual-enlightenment of the situation himself/herself requirement our people are doing eternal to their aspirations suitable , its national in the interests of full answer giving objective is a necessity . New Uzbekistan - democracy human right and freedoms regarding universally recognized done norm and to the principles strict action did without , the world community with friend cooperation principles based on developing , ultimately purpose our people for free , prosperous and prosperous life creating from giving consists of was is a state .

Which in the state of the people welfare , rights and freedom worthy in a way if appreciated , the people to the consent of if achieved, it is the state's the next day great and in consideration will be . People to the consent of to achieve , the prosperity of the country provide , world in the community worthy place possession for the purpose today's on the day in our country wide extensive row affairs done is increasing . Increase to the sectors attention Human alive

that's it melody , song , heart mood lucky provider art to their masterpieces need Culture and art - society priceless treasure , human of thought unparalleled is a discovery .

Updating In Uzbekistan attention being addressed important from the fields one is exactly the same culture and art Culture and art of the country , of the nation face , appearance is considered . Each people own national culture , tradition own form to the wind ownership with separately separated stands . Uzbek of the people only only for himself unique rich cultural legacy there is , he is charm with kurrai ground its people to oneself rum arrived It is coming . This is a global confession our state leader by industry to the development being addressed big attention , care fruit if we say not mistaken we will be

In particular , the sector further develop and improvement for the purpose Uzbekistan Republic The President of Uzbekistan on August 26, 2018 Republic culture and art field innovative develop "about" Resolution No. PQ-3920 , dated November 28, 2018, “ On the In the Republic national culture further develop concept confirmation "On" No. PQ-4038 Resolution , dated May 26, 2020, “ Culture and art of the field society in life place and the impact further increase measures Adoption of Decree No. PF-6000 on was done . With this together on December 9, 2021 at the " Culture and art to develop support system further improvement On February 2, 2022, in the PQ-36-issue of the " Culture and art field further to develop circle additional measures "On" Resolutions No. PQ-112 also refer to the sector related current issues designated and they done in increasing industry to the authorities very big tasks uploaded . Culture and art in the field very many years during labor did selfless from humans one was political sciences candidate , professor Azamat Haydarov “ Every on duty very big kindness and lofty goals " incarnate " separately emphasized .

Legislation chamber by acceptance Done , January 6, 2021 Senate by approved “ Cultural activity and culture " About organizations " Uzbekistan Republic law cultural activity , culture organizations activity in the field relationships order creative , creative , creative team , creative support the activity also extremely is important . In our country cultural and popular events concert-performance activity people creativity , people games , culture centers activity , national cultural centers , cultural activity in the field cooperation their connections reinforcement culture objects and art his works popularization , remote in the regions culture development , culture employees social protection to do regarding program is considered .

To the industry and industry to representatives being addressed high attention sample April 15th as exactly " Culture" employees "on the day " We also see in the definition This is possible . joyful day on the eve of Culture ministry initiative with Tashkent region Ahangaron district educational center - Nurabad " Artists " in the fortress garden ” to be to the wedding like a wedding To say it was , would be an exaggeration . not . First no unobserved this reality industry employees unreasonable satisfied seven . This historical reality , field employees by satisfaction with met and pleased . O' z tasks further in their faithful service motivation it has been We are not mistaken .

Above emphasizing mentioned , “ Culture and art field further to develop circle additional measures Presidential Decree No. PQ-112 on decision the youth culture to the centers attraction events , competitions , festivals transfer , talented the youth definition , creator the youth support , population , especially , remote in the regions residence to do to citizens cultural holiday services show level increase , the republic all in the regions theater , circus and other kind of mass-cultural and concert-performance events systematic accordingly on the road put , culture and art in the field talented young creators looking for find and support , education

institutions national instruments music textbooks , sheet music sets and educational and methodological literature with of providing whole system creation , music science for separated training hours within the framework of " My Life" is a companion " instrument " slogan under instrument performance lesson training on the road placement , students from class outside their time meaningful organization to grow for the purpose their interests according to national music on their instruments melody execution to grow skill , artistic and practical art , crafts in the directions practical circles organization to be such as one row tasks goal made .

In our country culture and art prosperity on the way done increasing affairs New Uzbekistan progress in the strategy reflection reached spiritual progress provide and the field new to the stage take to go out aimed at priority to measures extremely is in harmony . This reforms kindness and humanitarianism on the principle Based on “ Movements” Strategy - Development " Towards a Strategy " idea vital to reality , " New Uzbekistan - enlightened the concept of " society " done to increase contribution Say it 's addictive . we get . Each nation own culture and of art power with world from civilization occupies a strong position . Exactly this industry development of the country power and the potential of the people value the most valuable thing in the world reputation - respect and status manifestation provider important from factors one is considered .

Today on the day to the field being addressed high attention and care sample above one row examples with brought We passed . Like this the field to develop circle measures and high attention and signed decree , decisions performance provide within wide comprehensive affairs done is being increased . Our state leader by to the field being addressed care and opportunities close to radical changes in the future take comes and own the effect shows if we say mistake It won't be . Such a high attention and felt confident like us without young mature outgoing experts and industry employees are also more courage with performance , culture and art field to prosperity there is power and potential mobilized to be able It is necessary . So That's it , Respected Our President As they point out , “ New Uzbekistan world in the field strong , capable , worthy reputation - attention has was , all- round prosperous and prosperous to the country will turn ."
